

testmasters ExamClub

The Digital SAT was introduced in 2024. The official Digital SAT format exists in two modes:
(1) Linear (Paper) Format and **(2) Adaptive (Computer) Format**. The TestMasters ExamClub offers students both options. Below is a comparison of the two formats — and you should take advantage of both.

IN-PERSON EXAMCLUB

Linear (Paper) Format

1. Log into your account at www.testmasters.com and open the ExamClub tab.
2. Reserve a seat at the TestMasters Main Office — sessions run two to three times a week, 3 hours each.
3. Bring a No. 2 pencil (no mechanical pencils or pens). Pick up a booklet and take the exam on paper.
4. Follow ExamClub rules: don't write in the shared booklets, no photos of questions, silence your phone, stay in the room.
5. Submit your answers in the Grading Center at www.testmasters.com/grade and get the correct answers right away.
6. Review missed questions before you leave. Your completed exam numbers are tracked automatically.

ONLINE EXAMCLUB

Adaptive (Computer) Format

GrayBook

1. GrayBook is only available to TestMasters students as part of ExamClub.
2. Go to graybook.org and download the GrayBook app for Windows or Mac (macOS 12 or newer).
3. The site password is testmasters.
4. Sign up using the same email as your SAT student account — required to link your access.
5. Open GrayBook and pick a test from the Online ExamClub — available 24/7, on your own schedule.
6. Take the adaptive test on your computer.
7. When you finish, GrayBook grades it automatically — no submitting needed — with detailed statistics and analysis.
8. Review missed questions and track your progress over time.
9. Your online access to GrayBook expires when your ExamClub period expires. Platinum ExamClub members have full-year access.

AT A GLANCE	In-Person ExamClub	Online ExamClub
Format	Linear / Paper	Adaptive / Computer
Number of Tests	More Tests	Fewer Tests
Exposure	More Question Variety per Test	Less Question Variety per Test
Age of Tests	Most Recent Tests	Slightly Older Tests
Statistics	Fewer Stats	More Detailed Stats
Solutions	Complete Solutions	Complete Solutions
Grading	Submit Answers in Grading Center	Automatic on Completion
Timings	Set Times, 2–3× a Week	24/7, Anytime
Location	TestMasters Main Office	Online

Take advantage of both formats — but not on the same exam number. For example, Digital SAT 25 will have the same questions in person or online. A given test is the same whether you take it on paper or online, so the questions overlap. Take your tests in person when you're at the office, and use the Online ExamClub the rest of the time.

Using GrayBook at in-person ExamClub? You can — but we don't offer public Wi-Fi, so connect through your phone's hotspot.

Any questions on ExamClub or GrayBook? Call us at 281-276-7777 or email us at support@testmasters.com.
